

ARE YOU A TRENDSETTER?

We are looking for a fashion-conscious person for a new shop in Grand Forks. Catering to youth, this boutique carries lines by Guess, Esprit, Silver, and many independent labels. We need you to work 12 flexible hours per week, with more hours during the Christmas and summer seasons. We need you to be enthusiastic, energetic, and have a zest for life. We will train you to assist customers and operate the cash register, so no experience is necessary.
