

ARE YOU A BORN LEADER?

The Fun in the Sun Recreation Program is now going into its third summer and promises to be the best yet! We are looking for active, enthusiastic, energetic, hard-working individuals to join our team. The program is geared towards exceptional and creative youth ages 14–17 who want to gain practical experience working with children, to develop leadership skills, and become role models in their community. You will be responsible for running free activity centres for children aged 5–8 at local parks and recreation centers and will be supervised by certified recreational leadership students from North Lights College.
